## FOOD ALLERGIES & INTOLERANCES

Due to the current nationwide challenges with food supply and distribution in the UK, we are using various different suppliers or locally sourced products for our dishes.

As some of these ingredients may contain allergens, it is currently not possible for us to guarantee that any product is 100% free from any allergen.

Please make sure you let your server know if you have any allergies, so they can assist with any ingredient queries. The handling of allergens is of the utmost importance to us as is the safety of all our guests.
